Dear Voter,

For us it is the number of votes that counts. Only UKIP can provide an effective Opposition during the Brexit negotiations. The more votes we get nationwide the stronger that will be. Any other vote here is a wasted vote, so **MAKE YOUR VOTE COUNT** by voting UKIP. TM has made a disastrous start to the Brexit negotiations by demanding a trade deal. The EU has demanded a 100 billion euro ransom in reply - an impossible sum. But a trade deal on a deficit only makes things worse anyway. Please help us guide her.

Yours sincerely, John Poynton

Britain Together.

UKIP's 5 Pledges to bring Britain together

CUT IMMIGRATION

Immigration system fair for all; Border and coastal security reinstated.

A MORE SECURE BRITAIN

Recruit 20,000 Police and 20,000 Soldiers; Rebuild our Armed Forces.

NHS BEFORE FOREIGN AID

Fund 20,000 nurses and 10,000 GPs; Scrap hospital parking fees.

PROTECTING BRITISH CULTURE

One legal system for all; Defending hard-won equality and free speech.

MODERN & FAIR DEMOCRACY

Full Brexit; Abolish the House of Lords; English Parliament; Proportional Representation.

Jeremy Corbyn and his Labour party are in a death spiral. They no longer represent ordinary, hard-working people and are run by an Islington-based clique. A vote for Labour is a vote for:

- **Uncontrolled mass immigration**
- **Remaining in the crumbling European Union**
- **Selling off our housing stock to foreign buyers**
- **Making you pay to see your doctor**
- **Abolishing our nuclear deterrent**

**Don't leave it to Labour, vote
UKIP to bring Britain together.**
